

Fédération Européenne du Modélisme Automobile

Invitation to the 58th European FEMA Championship for tether model cars in Örebro, Sweden 28 July - 2 August 2009.

The Swedish Model Racing Union **SMRU** with organizing clubs **MRK Caster** and **RacerOctan** are happy to invite you to the **2009 European Championships** in tether car racing in Örebro, Sweden. We look forward to see model car racers from all FEMA member countries and competitors from other countries are also welcome to attend, however outside the official results. Below you will find useful information for your participation.

Venue

Örebro is approx 200 km west of Stockholm. The Örebro track is located 8 km west of the city Örebro along the new E 18 motor-way from Örebro to Karlstad and Oslo. Follow sign to the Airport and Motorstadion - turn-off 108 - followed by FEMA signposts.

Registration for the race

The 5 FEMA classes will be run. All competitors should be registered by June 15th 2009 according to FEMA rulebook - 6 weeks beforehand. Entry forms can be sent by post or e-mail to

Nils Bjork
Edelundavagen 50
16570 Hässelby
Sweden
Mail: nils.bjork@swipnet.se

Nils Bjork tel: +46 (0)8 4717555
Åke Ekstrand tel : +46 (0)581 32313

Travel & Transport

By flight to **Arlanda Airport/Stockholm** and airport bus (110 SEK single ticket) to Stockholm City terminal and Intercity or Regional train to Örebro (leaves at every second hour), approx 2 hour trip (230 SEK/ single ticket). If you plan to come by train please call the phone at track +46 (0) 19 241080 to be picked up at Örebro Central station. By car from Arlanda airport, drive **E4** south towards Stockholm and turn right on to **E18** at Järva Krog. If you come by car from Stockholm use **E18** to Örebro and turn right on **E18** (Karlstad / Oslo) and look out for the Airport and Motorstadion sign - turn-off 108 - and later FEMA signs that will take you to the track

Accommodation

Arrangements have been made at **Hotel Scandic Örebro**. We hope that all participants can stay at this hotel in order to simplify the transportation and possibility to spend time off track together.

Apply direct to Hotel Scandic for accommodation. Mention model car comp.

Starting order

The starting order for the first heat will be set in the official starting list. The starting order for first 3 is according to the 57-th European Championship (2008), current Champion + 2 in each class starts first and other participants follow in ranked order after current world fastest. Participants not ranked, starting positions will be drawn by the organizers - positions after 20-th.

Second heat will start in the same order but bottom to top. Third and final heat will be in order of achieved results and with the slowest first and defending champ last.

Awarding for the European Championship

First, second and third place winners in each class will be awarded European Championships medals. First five positions in each class will receive Championship trophy. The first three teams will be awarded with the Nation trophies and Europacup will also be awarded.
